### **July Happenings**

Get ready to boogie with music provided by **Bill Sleeter** on Thursday, July 13th at 2:30 pm in the Main Dining Room and

Hop on the Bus with Bob Jones on Saturday, July 29th for a **LUNCH BUNCH** Outing to Chocolate Covered Strawberry and a leisure ride. Sign up in the Outing Book located at the elevator on IL.

### **An Official Fourth**

With the adoption of the Declaration of Independence, America's identity as a free nation famously began on July 4, 1776. But Independence Day didn't actually become a federal holiday until nearly 100 years later, by an act of Congress in June 1870. Celebrating Independence Day with fanfare, food and friends remains a cherished tradition.

### **4th of JULY CELEBRATION**

Join us for our Celebration with **DEBBIE WATTS** on Tuesday, July 4th at 2:30 pm in the Main Dining Room. Wear your Red, White and Blue.

### **First Kick of Coffee**

It all started with dancing goats. According to legend, 9th-century Ethiopian herders noticed that their goats had more energy and seemed to "dance" after eating fruit from the *Coffea* plant. Curious, a local monk brewed a drink from the fruit—the first cup of coffee! Now, 2.25 billion cups of coffee are consumed every day.

### **A Little Self-Reflection**

July 3 is Compliment Your Mirror Day—but why not start every day with a self-esteem boost? Therapeutic research has shown that looking in a mirror while giving yourself an encouraging pep talk has stronger soothing effects than just saying the words alone.

### **'Gal' Is One**

How many words can you come up with using the letters in "sunglasses"?

### **A Cool Head**

Baseball caps and visors can shade your eyes from the sun, but for the best protection, choose a hat with a wide brim that covers your face, neck and ears. Beach hats, bucket hats and fedoras are stylish options. You can also find hats made of materials that block UV rays.

Welcome, new residents. Feel free to call the front desk if we can help you in any way. We are glad you made Park Place your home.

### **In the Mail**

July 1 marks two anniversaries in United States Postal Service history: The first postage stamps were issued in 1847, featuring Benjamin Franklin (5¢) and George Washington (10¢); and the five-digit ZIP code was introduced in 1963.

### **Tourist Treasure: Arc de Triomphe**

Paris, the capital city of France, contains many lovely wonders that attract travelers from all over the world. One of these is the Arc de Triomphe, or "Arch of Triumph." Commissioned in 1806 and finished in July 1836, this 162-foot tall, 150-foot wide limestone arch was built to honor heroes who fought in the French Revolution and Napoleonic Wars. An eternal flame burns beneath the monument, where veterans place wreaths every night to remember fallen soldiers. The fire hasn't been extinguished since its first lighting on Nov. 11, 1923.

### **Watercolor Your World**
