February is National Heart Month

Your heart is the most important muscle in your body. It pumps about 2,000 gallons of blood a day, forcing that blood through the 60,000 miles of blood vessels in the body.

**Join us in wearing red on Friday,
Feb 3rd.**

DID YOU KNOW?

Conversation hearts, also known as candy hearts or Sweethearts, date back to the late 1800s when

Oliver Chase and his brother Daniel created the sugary treats. They used vegetable dye to print words on what were originally scallop-shaped confections. Phrases were much longer then, with sayings such as "Married in white, you have chosen right" and "How long shall I have to wait? Please be considerate." In 1902, the famous heart shape appeared and simpler prints came out, like the familiar "Be Mine" or "Kiss Me."

Valentine's Day Reminder

Has Cupid been busy in your life? Don't forget to express your love to your special valentine on Feb. 14.

Super Bowl LVII

Scheduled for Feb. 12 in Glendale, Ariz., Super Bowl Sunday is sure to be loads of fun this year! Kick off time is 4:30pm (MST). Prepare your favorite snacks and enjoy the big game.

Red Barber's Ballgames

With down-home, Southern charm and a knack for vivid play-by-plays, Walter Lanier "Red" Barber was a pioneer of sports broadcasting. From 1934 to 1966, he announced MLB and NFL games on the radio, mostly for New York teams. In an era before watching sports on TV was the norm, fans felt like they were in the stands thanks to Barber's keen descriptions and regular score updates prompted by an egg timer placed on the corner of his desk—a habit adopted by countless future announcers. Tip your ball cap to Barber on his birth anniversary, Feb. 17.
