America's Barn Quilts

An emblem of Americana, bright and colorful quilt blocks are cropping up across the country—on the sides of barns! Painted on wooden or aluminum squares, barn quilts are large-scale versions of traditional patterns used in fabric quilting. Preserving history and heritage while beautifying the landscape, these unique works of art invite travelers to discover them on one of the many barn quilt trails throughout the U.S.

MLB's Opening Day

For baseball fans, spring begins on Opening Day, the first game of the MLB season. This year, America's pastime will actually begin on foreign shores. As part of the MLB World Tour, the first regular-season games will take place on March 20 and 21 in Seoul, South Korea, between the Los Angeles Dodgers and San Diego Padres. All 30 major league teams will then play stateside on March 28.
