Volunteers: The Heart of Our Community!

VOLUNTEER APPRECIATION WEEK

APRIL 20-26

Volunteering brings people together. It builds communities and creates a better society for everyone. National Volunteer Week is a chance for all of us to celebrate and recognize the vital work of volunteers and to say "thank you." Among the many things our volunteers do for us include: calling Bingo, Yoga, Exercise Class, Church Services, Bible Studies, Musical Entertainment, iPhone classes, Bocce Ball and Catholic Communion. Many of our residents are volunteers as well. Take a moment to recognize and thank our many volunteers at Park Place for donating their time and energy to us for all they do.

Meet our new General Manager!

Hello, my name is **Renysia Fugghett**. I was born and raised in Atlanta, GA. I am married and have an 8-year-old son. I enjoy watching movies, traveling and spending time with my family. I've been in the senior community industry for 10 years with an MBA that allows me to better serve you as GM at Park Place. I look forward to meeting and working with you as we continue to grow and make Park Place one of the best communities in Nashville and the surrounding areas!

Welcome

Laugh It Up

People have been laughing and pranking each other on April 1 for years ... decades ... centuries? While the jokes and jests can be very concrete, the history of April Fools' Day is a little harder to pin down. Some historians trace the practice of pranking back to Roman times, while others land its origins in the Middle Ages. Regardless of the holiday's history, if pranking is on your list of April 1 to-dos, please ensure that your joke is safe and fun for everyone!
